

## **COMPANY HEALTH AND SAFETY POLICY STATEMENT OF INTENT**

The Director of All-Power Limited believes that the promotion and preservation of safety and health is of fundamental importance in the conduct of the Company's operation.

The declared policy of the Company is to maintain a safe and healthy environment for all employees and others who may be affected by the Company's operations.

The Company will actively seek to maintain and improve a good record of safe responsible activity. This will be achieved by providing adequate financial and managerial resources to ensure that careful planning, organising, monitoring, controlling, educating and the application of best trade practices and codes of conduct are a fundamental part of each and every project.

In so far as it is reasonably practical All-Power Limited will:

- a) Provide and maintain plant and systems of work that are safe and without risk.
- b) Make arrangements for ensuring safety and absence of risks to health in conjunction with the use, handling, storage and transportation of articles and substances.
- c) Provide such information, training and supervision as is necessary to ensure the health and safety at work of employees.
- d) Maintain any place under the Company's control in a condition that is safe and without risk to health and provide and maintain a means of access and egress that is safe and without risks.
- e) Provide and maintain working environments for employees that are safe, without risks to health and adequate as regards facilities and arrangements for their welfare whilst at work.

All-Power Ltd
